Title: MAGNETORESISTIVE RANDOM ACCESS MEMORY, AND  
MANUFACTURING METHOD THEREOF

**REPLY TO OFFICIAL COMMUNICATION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This Reply is filed in response to the Official Communication mailed March 10, 2006 regarding the above referenced application.

In the Official Communication, the Examiner noted that the information disclosure statement (IDS) filed February 2, 2006 failed to comply with 37 CFR 1.97(d) for not including the fee set forth in Section 1.17(p) and lacking a statement as specified in Section 1.97(e). The Official Communication concludes by stating that the IDS has been placed in the application file but not considered. Additionally, the Official Communication posed the following question: "Did Applicant supply the banner headline, 'RELEVANCE STATEMENT,' with the deliberate intent to mislead the examiner believing the requirements of 37 CFR 1.97(e) had either been met, or were somehow not applicable to Applicant's case?" This Reply is submitted in response this question.

**REMARKS**

Applicant did not intend to mislead the Examiner in anyway regarding the nature of the IDS. To the contrary, Applicant attempted to inform the Examiner that the IDS was being submitted under 37 CFR 1.97(i), not subsection (d). Specifically, on page 2 of the IDS, Applicant explained, under the banner headline "TIMING/FEEES," that "[b]ased on 37 CFR 1.97(i), Applicants request that the references cited on the attached SB/08A form be placed in the file and Applicant acknowledges that the references cited will not be considered by the Examiner."

Applicant intended the statement under the heading "RELEVANCE STATEMENT" to be only a factual disclosure of potential relevance of the documents and an explanation of the source for the documents, including the reason that a Notice of Rejection from the German Patent Office was attached. This statement was considered necessary to provide a complete disclosure pursuant to Applicant's duty of candor to the Office.

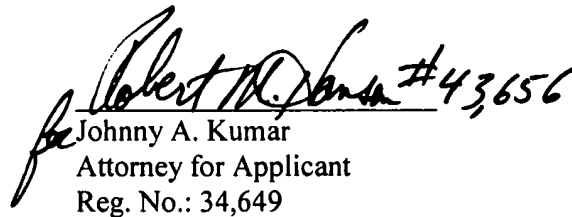

Applicant regrets any confusion caused by the wording, format or timing of the IDS. Applicant thanks the Examiner for his courtesy of calling the undersigned attorney for the Applicant on February 28, 2006 regarding the IDS, and for placing the IDS in the application file.

This Reply is submitted only to answer the Examiner's question for purposes of the record. Applicant requests that a copy of this Reply be included in the application file. No further action or consideration by the Office is requested or required.

Respectfully submitted,
